ISF SPONSORSHIP AND EXHIBITION OPPORTUNITIES

THE ISF GLOBAL EVENTS PROGRAMME OFFERS A WIDE RANGE OF SPONSORSHIP PACKAGES ALLOWING YOU TO SHOWCASE YOUR TECHNOLOGY AND SERVICE SOLUTIONS TO GLOBAL BUSINESS LEADERS AND SECURITY PROFESSIONALS.

As a Member organisation, access to the ISF World Congress and regional Chapter events is limited to our Members and sponsors. The number of sponsorship packages available is capped for each event, providing an exclusive, world-class platform for Member and non-Member organisations to interact with global decision-makers.

At ISF events we welcome business leaders, senior security professionals and specialist cyber security and risk management practitioners.

If your business operates in an area of interest to ISF Member organisations, then we can provide you with an unparalleled opportunity to build business relationships with some of the world's most powerful and influential cyber security decision-makers.

Being an ISF sponsor or exhibitor positions your company at the heart of this global cyber security community.

"The ISF continues to bring together CISOs and major players in cyber security for its world congress."

ABOUT THE INFORMATION SECURITY FORUM

THE INFORMATION SECURITY FORUM (ISF) IS AN INTERNATIONAL NOT-FOR-PROFIT ASSOCIATION OF THE WORLD'S LEADING ORGANISATIONS WHO RECOGNISE THE IMPORTANCE OF PROTECTING THEIR BUSINESS INFORMATION.

The ISF has been helping organisations develop cyber resilience for over 30 years and our Members range from Fortune 500 and Forbes 2000 listed corporations to public sector bodies and government departments. Dedicated to meeting the increasing demand for practical business-driven solutions to cyber security and risk management problems, the ISF undertakes a leading-edge research programme, providing Members with the opportunity to develop best practices and share a wealth of expertise. The key event enabling Members to do this is the ISF World Congress.

In addition, the ISF provides Members and non-Members with a full range of consultancy services to assist in the implementation of ISF tools, research and methodologies addressing issues relating to governance, risk and compliance.
